Your Celebration Lunch

Delicious food is one of the most important aspects of any wedding reception. Our team of talented chefs will ensure that your chosen menu is prepared with care and flair.

Our chefs are skilled at preparing menus for important occasions and we will discuss options with you. We use the best locally sourced, fresh, quality produce.

For that extra special touch add a selection of our home-made canapés with your welcome drinks reception.

We provide special dietary menus and children's menus too.

Winter Weddings

A magical charm descends on the Bruntsfield area for autumn and winter weddings. The trees on Bruntsfield Links turn gold and in winter, the snow may fall to give you photographs with a difference.

Rich autumn colours and darker days create the perfect backdrop to candle lit tables and, if you're really lucky and blessed with a 'white wedding', the scene is dreamy.

Our Head Chef delights in matching menus to the seasons and will create warming winter menus, treating your guests to the very best the winter season has to offer.
